

# DCB Single Crystal X-ray diffraction Service

Departement für Chemie und Biochemie, Universität Bern, Freiestrasse 3, 3012 Bern

Please notify the service about your request at <https://xrd.dcbp.unibe.ch>

Date

Name

Group

E-mail

Sample Code

Chemical formula

Solvent(s) of crystallization

Structural diagram and reaction including all reactants  
(if specific atom labeling is necessary, please specify)

Stockage temperature (RT or other)

Sensitivity (Air, water, other)

Need cold temperature  
for sample preparation  
under the microscope?

Have you checked that the structure isn't known yet?    yes    no

If it is known why do you want a redetermination?

Items below to be filled in by service personnel only

Structure code

Crystallographer
